### Catholic Education Week Prayer

God of mercy, we thank you for the gift of Catholic education.

We walk in faith and thanks, guided by those who have gone before us, who nurtured and sustained Catholic education.

Inspired by our Catholic Graduate Expectations, we acknowledge that the promise of Catholic education is within us, that it is a promise that we live out in our families and communities and that it is a promise that we proclaim in acts of justice and compassion in word and deed.

We make this prayer that we may live out the promise of Catholic education for many more years to come. Amen.
